ALMA MATER

These memories of Gold and Blue
Will linger with us through the years
The way we gathered in the hallways,
The talk, the laughter, and the cheers,
The fun, the sports, and all the learning
Will be cherished by us as the best
And ever after we will praise thee
Our own dear T C S.

FOREWORD

Seniors at last! We've worked four long years to achieve this goal. Now we are publishing our own yearbook, the **Tru-Ce**, to help preserve the memories of these happy, carefree years.

Tru-Ce stands for the school we have worked for and love so well, Trumansburg Central.

In this yearbook we give you a picture of student life going on in our beloved school. Here are the classmates and teachers with whom we have worked and who have guided us through many busy days of work and play.

As you turn the pages of our book, you will share with us the memories of the happy school days we are leaving, and will see how we have prepared to take our places as better citizens of our country.

We the Class of 1948, wish to dedicate this annual to our friend and advisor, Miss Muriel Hughes, in deep appreciation for her assistance in all our activities during the past four years.

We shall never forget her untiring efforts to help us make a success of our Junior class dinners, Yearbook and other projects.

She has been a constant source of encouragement and inspiration and we wish her the best of everything for the future.

We Dedicate

The Board of Education is composed of five members elected at the annual school meeting held on the 2nd Tuesday of July. A clerk, treasurer and secretary are appointed. Each member is elected for five years with one new member elected each year. They give their time and energy to help promote the education of the children in this community. We are grateful for their interest and service.

Board of Education

Administration

Mrs. Jackson who usually has more of a smile on her face than in the picture below has been a vital part of our student life. She has helped us out of many difficulties again and again by graciously consenting to let us use the telephone. Mrs. Jackson has been here twelve years—eleven as secretary and treasurer and one year as secretary.

Mr. Dickerson has also been here for a long time—four years as junior high science teacher and more recently as vocational counselor and vice-principal. No senior can forget the expert advice and help he gave us in deciding what each one of us would do during following years. Here's hoping we live up to his expectations.

Mr. Doig has seen seventeen classes graduate from T.C.S. He has lent a hand at many of our class activities, sometimes a restraining one when we needed it. All through our four years of high school his friendly informality has been very noticeable to faculty and students alike. The Tru-Ce staff hopes that these four years have been as happy and as unforgettable to you, Mr. Doig, as they have to us.

No one in T.C.S. can forget the pleasant attitude and peaceful silence that prevails in any room when Mr. Donnan comes in! Mr. Donnan has been Superintendent of Schools for the First Supervisory District of Tompkins County for seventeen years. During this time he has given many valuable pointers to students as well as helpful advice to our teachers.

Mr. E. Craig Donnan, supervisor; Mrs. Harold Jackson, secretary; Mr. Russell Doig, principal; Mr. Charles Dickerson, vice-principal. *Absent:* Mr. Edward Farrell, treasurer.

Prophecy

"Double, double toil and trouble.
Fire burn and cauldron bubble."

Oh witch, gaze into your cauldron
And let us the future see
For we who are leaving these hallways
Would know what our comrades will be.

I see *Ruthie* with all her darlings—a kindergarten teacher, no less,
And *Don* with square and level, is a carpenter—one of the best.
There's *Alice* flying so blithely, an airline hostess brave,
While *Duddy* and *Shirley* as nurses, try earnestly lives to save.
Tommy is watching his Nth roots, Professor, you know the rules,
It's easy for *Bones* to be carefree, for loafing is not taught in schools.
Janeen, a merry housewife, makes cakes that take the prize,
But *Barb,* her friendly neighbor, will match her with her pies.
Alan, the wandering hobo, is weary of seeing the sights,
But *Mary* a sportier traveler is headed for Mexico's "fights".
Marie, the "perfect secretary", perched on the boss's knee,
Sits watching the man digging ditches, none other than *Beans,* by gee!
Delores, at the tangled switchboard, drawls sweetly, "Number, Please",
When up pipes *Glenn* the merchant, who takes his orders with ease.
Gossiping over the fence rails are *Bob* and *Jared* and *Dave,*
If the rain spoils the hay or the corn crop, you'll hear these farmers rave.
Thelma and *Jim* teach the high jump, their pupils love phys. ed.,
While *Hop,* the famous general, is putting his rookies to bed.
Gerty's classes are cooking, or is it sewing today,
But *Ray* is counting his money piled up like bales of hay.
Blondie in scenes quite domestic is making a fancy dish.
While *Herb* on the deep Pacific is trying to catch a fish.
Marilyn's a whiz at shorthand, her boss thinks she's a find,
And *Katie,* another good typist, is sought for her wonderful mind.
Dick, the radio genius, is flooding the world with his views,
As *Jack* the happy joker is reading his daily news.
Jeanne and *Peggy* are busy, at work in their own little homes,
Chris, too, is a thrifty housewife, her hubby never roams.
Charlie, Duponts' leading chemist, is truly not a faker,
And *Owen* with gloomy demeanor is the village undertaker.

The fire is burning low,
Oh, Witch, your tale is spun,
We've seen the tomorrow, classmate
Today let's all have fun.

History

In the fall of 1944 fifty-seven little "cherubs" strutted up the last flight of stairs to the exalted position of Freshmen. Much to our dismay, however, a stack of books, especially *Science On The March,* was waiting for us. Neglecting them as much as possible, we planned for four years of fun. Blondie and Janie immediately showed the rest of the high school that the Freshmen had a little talent by starting their careers in cheerleading. The boys also made a showing in basketball. Bones became a member of the Varsity team and Dick, Herb, and Jimmy played on the J. V. team. Then too, we put on the play, "The Happy Journey From Trenton to Camden". Thelma Newhart starred in the role of "Ma". Miss Many helped us with the school paper of the year called the "Free Press, Jr.". At the close of this year our treasury held the enormous sum of $1.08.

Our Sophomore year went just as rapidly with Miss Hughes shoving us along. Barb joined Blondie and Janie to make up the J. V. cheerleaders. The Student Council sponsored a carnival in which we challenged the school to "try your luck" at our dart throwing booth. In June we all gathered together to end our second year with a big picnic at Taughannock State Park.

We lost no time in electing officers at the start of our Junior year for now we were upper classmen. Herb, Bones, Thelma, and Blondie filled the respective offices. Miss Hughes and Coach Sebring were given the thankless job of being our advisors. Now we were really in earnest to raise money for our Senior Trip to New York and we started our activities by giving a big Halloween Party in the gym which was followed by bakesales, a movie, the first attempt at cafeteria suppers, and candy selling at the games. Janeen joined the ranks of cheerleaders and Gerty and Don were elected representatives to the Student Council. Then Jimmy had the opportunity to play on the All Star Junior Varsity basketball team. At last the moment we had been waiting for came. Mr. Lee had come to take orders for our Senior rings. During the four hour debate on the type of ring we wanted, it was decided that we would originate a school seal. Barb Wright's design of Taughannock Falls won the contest. Then in May our Junior Prom became the talk of the school. With Charlie as general chairman we certainly went "all out" in decorating the gym. That night the secret was out. Dudd had been chosen "Queen" with Marie, Don, Peggy, Jack, Marilyn, Dave, Chris, Bones, Alan, Barb, Alice, Charlie, Janie, Glenn, Katy, Tommy, Blondie, Ray, Ruthie, and Dick as attendants and Kay Kelley and Creque Wolverton as crown bearers. We ended our year with the two booths at the Student Council carnival, moving-up day, and a class picnic. Gerty won the D. A. R. History prize and the American Legion Auxiliary essay contest. Dudd and Dick went to Girls' and Boys' State and Dick was elected president of the Student Council.

At last we were Seniors. Charlie was elected president with Dudd, Jeanne, and Tommy filling the other positions. Thelma and Alice took over the presidencies of F. H. A. and Ushers' Club. Katy and Herb were our Student Council representatives and Gerty lined up with the cheerleaders. Bones, Herb, and Dick represented T. C. S. at the All Star basketball game and Bones completed his record of being the only boy in high school since Coach Sebring came, to be a regular in all the sports all four years. We started our big year with try-outs for the Senior Play, "We Shook The Family Tree", with Miss Bailey as our director. Janeen and Dick won the leading roles. It was a howling success, especially when Herb came racing on the stage in his shorts and tackled Alan. Then among our other successful activities were the Christmas Dance, the spaghetti supper, our movie and our card selling. Our annual was our next huge undertaking with everyone trying to meet the deadlines. On May 26, the day we had worked for arrived. We were on our way to New York with Coach Sebring and Miss Hughes trying vainly to keep their eyes on the Seniors. When we arrived home the Senior Ball and regents were waiting for us.

Then at last baccaluareate and graduation came. We were "on our own", but we shall never forget those four happy years which hold for us so many precious memories.

The class of 1949 rose to the third floor in a blaze of glory in September 1945 with sixty-five members. We filled the Study Hall and the Art Room with Mr. Johnson and Miss Malcolm as homeroom teachers. Pat Teeter and Ken Murray were elected to the first Student Council. We raised $12 for the class that year.

We returned in September 1946 with sixty-two Sophomores which overflowed the Study Hall into the Library. Mr. Johnson again had the "soft" job of looking after us. Joyce Conrad and Philip Huttar represented us on the Student Council. We netted $28 that year at the Spring Carnival. The senior trip was already on our minds.

September 1947 saw fifty-five ambitious Juniors flow into Miss Nivison's and Mr. Johnson's rooms. Carl Keith was elected president and Mrs. Sebring and Mr. Johnson were selected as advisors. Philip Huttar and Jack Wixom were appointed to the Student Council.

Among the activities held by the class were two dances, a Junior Play, an amateur show, and the sale of basketball programs. With Miss Paquin's help, as Business Advisor, we reinstituted the school paper and christened it, "The Hi-Lite."

In September 1946 our class started on its long anticipated journey through High School. The first thing in which we participated was the Student Council when Marilyn Frost and Madeline Watson were chosen as representatives of our class. We had two successful booths at the Spring Carnival which was sponsored by the Student Council.

Many members of the class have taken part in the school activities such as band, chorus, FHA, FFA, and the Ushers Club.

Members of our class who participated in one or more of the three major sports were Dell Grover, Jim Fergus, Clarence Wright, Bud Van Wormer, Richard Dean and David Lueder.

When September 1947 rolled around and football muscles were aching again, we found that Bruce Reynolds had joined the ranks of the football team. We also found that Pat Bower and Marcia Wright had "made" cheerleading squad.

The representatives for the Student Council this year were Connie Thomas and Marcia Wright.

At Christmas time the two homerooms gathered together in Miss Bailey's room and had a party with cookies, candy, soft drinks, and, of course, presents!

Several girls played on the speedball team that went to Odessa and a few girls played on the basketball team that went to the Play Day at Odessa Central School.

In the intramural sports at noon the Sophomore girls have won two games and lost none while the boys have won one game and lost one.

We were very proud of the big white rabbit that Dell "Rabbit" Grover received from the basketball teams. It was the J. V. mascot for the 47-48 season.

Class of 1950

Class of 1951

One day last fall, the third of September to be exact, fifty girls and boys found themselves Freshmen at last. We Freshmen soon discovered Mrs. Sebring and Miss Paquin waiting for us in our homerooms. The teachers must have gotten together quickly to find that the only way to keep us quiet was homework. Very shortly football practice started; and after many sore and stiff muscles three of the Freshmen made the team: David Boyd, Steve Slaght, and Russell Doig.

Before we knew it the Trumansburg Fair was here, and many of us found ourselves answering questions in the Information and Guidance Centre.

Alberta Hall and Frank Gottberg were chosen in the Student Council elections to represent our class.

Soon the Ushers Club and the Chorus had many Freshmen to help them along.

Then came cheerleading tryouts; and a lucky Freshman, Jean Hallett, became a substitute on the cheerleading squad. The basketball season soon started. On the night of December fourth before a surprised crowd (especially the Seniors) five Freshmen started in the first game of the season. These boys were Russell Doig, Steve Slaght, David Boyd, Frank Gottberg, and Bill Scott. Steve made the first basket of the season for the J.V.'s. This was indeed a very happy night for all the Freshmen. As the next few weeks sped by, first "Scotty", then "Dave" and "Steve" were promoted to the Varsity which made all of us very proud. If the next three years are as wonderful as the first, we will all be very happy Seniors.

Activities

Standing: Charles Vastbinder, Jack Wixom, Miss Grant, Philip Huttar, Carl Keith. *Seated:* Frank Gottberg, Betty Williams, Alberta Hall, Connie Thomas, Richard Lowe, Herbert Dundas, Marcia Wright, Joanne Isaman, Catherine Burns, Robert Hayes.

Under the leadership of President Richard Lowe the activities of the Student Council have been conducted for the year. Herbert Dundas has served as vice-president, Connie Thomas as secretary, Marcia Wright as treasurer and Jack Wixom and Frank Gottberg as sergeants-at-arms. Miss Grant has been advisor to the group for the second year.

With the money left by the Class of 1947 and funds from its treasury, the council has purchased a plaque to honor the veterans from our school who gave their lives in World War II. School activities which it has sponsored include a noon-hour schedule of intra-mural sports for boys and girls, noon-time dancing, assemblies and the spring carnival in which every class and organization have participated.

Our council has not only become an active member of the Trumansburg Community Council but has also joined the National Association of Student Councils. Membership pins have been purchased for all representatives on the council.

The Student Council

1948 Tru-Ce

Early in the fall of 1947, Miss Hughes, Mr. Sebring, and a committee chose the staff for the year-book, the project which would be one of the most important jobs we, as Seniors, would do. When Mr. Ross, the DuBois Year-book Service representative, outlined what we would have to do to get started—everyone groaned. No senior will forget the rush to beat the two deadlines set for the first and last twenty-six pages. Early in April the rough copy of the *TRU-CE* came back and after minor corrections we went to press. Finally the two hundred seventy-five copies came back and were distributed to their owners. All the seniors could relax again! However, no one regretted the many hours spent on it for we realized that we had contributed to another tradition of T.C.S.

The Hi-Lite

After a lapse of two years a newspaper was published in T. C. S. this year by the Junior Class. The new paper was christened the Hi-Lite. The paper operated under several different staffs during the year. The last three issues were headed by Bill Dodge and Eddie Hymes as Editors in Chief. Miss Paquin has served faithfully as faculty advisor.

Five issues were published throughout the year. Advertising was sold to increase the profits. Interesting columns maintained included "Meet Your Faculty", "The Inquiring Reporter", "The Student Speaks" and "The Vacuum Cleaner" among others. The class plans to publish the paper next year, too.

The curious loitering soul in T. C. S. on a February afternoon might have witnessed tryouts for "The Cat and the Canary".

"Have your lines for the first act learned by Tuesday," Miss Bailey told the cast. The cast didn't. Lawyer Crosby turned up two weeks late and then didn't know his lines!

The play was concerned with a girl who inherited her uncle's spooky house and his fortune. Another relative who knew he would inherit the money if the girl should have an unsound mind, attempted to drive her crazy. He was discovered and the heiress and a distant relative provided a romantic ending.

On November 20, 1947, the curtain rose on "We Shook the Family Tree," presented by the Class of 1948. This year the Senior Play was different, for the production ran for two nights—the longest run of a play in Trumansburg in many years. With Miss Bailey directing and Mary Duddleston as stage manager, the play was successfully presented.

The play concerned the biography of Hildegarde Dolson. Hildegarde was tired of being a wallflower and was desperate for a date for the Senior Ball. But Mother's suggestion, "Short Pants" Freddie" was too much—until she found out how nice he looked in long pants, but before she did both she and Freddie caused their families an unusual amount of anxiety.

When the final curtain came down on Friday night, a sigh of relief went up from the cast, but underneath a feeling of disappointment prevailed, for they realized that they had crossed another milestone towards graduation.

Miss Bailey, Janeen Lane.

This year the band is composed of fifty members, sixteen of whom are seniors. The band had a rather lively program this year. We started off very early in September visiting lots of fairs at which we won many first prizes, winding up with the Armistice Day parade at home. Soon came our first concert in December. David Leuder and Connie Thomas each played solos. Early in March we had the honor of giving a concert over station WGVA in Geneva. Soon came another concert which would be the seniors' last. Then came another round of drill and parades. As the last year came to a close all the seniors were sorry to leave an organization in which we have had so many good times.

The Chorus

The halls echo with melodious sounds when sixty-six girls and thirty-four boys, the largest number ever in chorus, gather to practice and entertain. Activities have been many and varied under the direction of Mrs. Roewer.

In the fall the Alma Mater was sung at a P. T. A. meeting by Shirley Ditmars, Mary Duddleston, Herbert Dundas, and Philip Huttar.

The background music for the Christmas tableau was sung by the chorus with Roberta Reynolds and Karl Chase singing solos. A highlight of the year's activities was the Concert presented in the spring featuring American music. Five acts, each including fifteen to twenty people, rendered songs of the Gay Nineties, Minstrel days, Broadway, Cowboy Days, and College and Sacred songs.

As a finale for the year the chorus sang at the commencement exercises.

The Future Farmers of America

At the Trumansburg Fair the Trumansburg F.F.A. exhibited three booth displays. They received two first awards and a second. This year for the first time the members helped park the cars at the fairgrounds. To finance chapter activities the club carried out several undertakings. One of these, selling seeds for the Robson Seed Farms, gave them recognition throughout the Northeast as they won first place among the chapters participating.

This year they visited the Cornell Agricultural College, spent a week at the Adirondacks F.F.A. camp, attended two state dairy tours, and held their annual Father and Son banquet in March.

The ideals and aims of the senior group have been adopted and also the procedure for conducting meetings. Mr. MacDonald of the Agricultural Department is the organizer and advisor.

The membership is about 50 boys and meetings have been held twice monthly since December 1947. Plans for meetings include practice in using the F.F.A. ritual and also on entertainment program.

The officers are as follows: President, Carter Rice; Vice President, Bob Scott; Secretary, Karl Newkirk; Treasurer, Herbert Doig; Sentinel, Ronnie Steve; Reporter, Clyde Auble.

The Future Homemakers of America

The Trumansburg Chapter of the Future Homemakers of America was organized for the first time last year. Its purpose is to further homemaking education among our young people. We have Miss Elliott as our club advisor, and Mrs. James Holman and Mrs. B. H. Duddleston as our club mothers.

The club's important events this year were a party for the prospective members, and the initiating ceremony with a candle-lighting service. During the ceremony the president, Thelma Newhart, explained the creed and the purpose of the club and afterwards presented each new member with a red ribbon to signify that they were admitted to the club.

The Ushers Club was organized for the first time in 1946 under the supervision of Miss Malcolm. This year under the capable leadership of Miss Hunter, the club has continued to be one of the most useful groups in the school.

The purpose of this club is to direct the steady stream of people which flows in and out of our numerous assemblies. The girls usher for plays, concerts, variety programs and other events that take place in the auditorium. Our hats go off to this group which is one of the brighter spots of T. C. S.

In a gym gaily decorated with bright streamers floating from a may pole and a profusion of apple blossoms and lilacs, Mary Duddleston was crowned Queen of our Junior Prom by President and King Herbert Dundas. The Queen and her attendants were selected by a secret vote of the high school and her identity kept secret until the coronation.

Under the chairmanship of Charles Vastbinder, this was the special event of our Junior Year and a successful climax after days of confusion and merriment in decorating, particularly when our streamers became hopelessly entangled.

The Trumansburg Blue Raiders were at the top of their league for the third straight time this year. The first game was at Dundee, resulting in 45 to 18 win for T-burg. Next came what proved to be the toughest game; but they came out on top 38 to 28. The third game was a high scoring affair at Romulus with T-burg winning 60 to 36. T-burg took the last two league games easily, winning over Interlaken 60 to 18 and Ovid 52 to 12. The highlight game of the season was with Ludlowville under the lights at Ithaca. After a hard-fought contest T-burg won 22 to 8.

The boys that recieved letters for football this year were Capt. Allyn Pearsall, Herb Dundas, Bill Haflin, Carl Keith, Glenn Conrad, Dick Lowe, Ray Sarri, Dell Grover, Eddie Hymes, Steve Slaght, Keith Bower, and Charles Vastbinder, manager.

Basketball

The Blue Raiders, after getting off to a very slow start by dropping the first two out of three games, came back in true Trumansburg fashion. Captain "Bones" Pearsall was high scorer for the season with one-hundred eighty points. He also won the league foul shooting contest with twenty-one out of twenty-five shots. "Swish" Swick was runner-up with one-hundred twenty-two points for the year. The varsity finished the season with ten wins and four losses.

The junior varsity had a good season with "Dizzy" Dean high scorer with seventy-one points. "Rabbit" Grover came out second with fifty-three points. The J. V.'s finished the year with eleven wins and three losses.

The annual trackmeet was held at Dundee last spring. Trumansburg's Blue Raiders came in at third place, losing only to Odessa and Dundee. The boys who scored for Trumansburg were "J C" Huttar who came in first in the 880 yard run and William Haflin who won the 100 yard dash and the 220 yard dash. The prospects for this year's meet at Dundee, which will be held late this spring, look very good for Trumansburg.

Varsity Cheerleaders

This year the "V-A-R-SITY" squad consisted of Donna Smith, a veteran cheerleader with four years to her credit, and Joyce Conrad and Janeen Lane, who moved up from the Junior Varsity group. Last year these girls walked off with the league championship at the All-Star game. Their megaphone trophies immediately became a part of their uniforms, which were gold skirts and blouses and navy blue sleeveless sweaters.

It was always a debate as to who worked the harder, the team or the cheerleaders; but both groups had worked up big appetites for the after-game cocoa and sandwiches.

With an, "ARE WE IN IT, WAIT AND SEE, COME ON T-BURG, FIGHT J. V." the new Junior Varsity Cheerleaders started their first year as cheerleaders. Gertrude Strong, senior; Marcia Wight and Pat Bower, sophomores, started their careers after being chosen by the Student Council. The new Cheerleaders also decided to have brand new uniforms which have a yellow "T" on a gold sweater and blue skirts. Jean Hallett, a freshman, was chosen as substitute. Mrs. Sebring and Miss Paquin, the advisor for the cheerleaders, do their bit to keep the cheers peppy.

BEACON SERVICE, SIR!

When the Beacon Milling Company, Inc. was started in 1920, it established a precedent in feeding service. Instead of following the prevailing practice of making poultry and livestock feeds primarily as an outlet for specific by-products, Beacon formulated its feeds to meet the requirements of the poultry and livestock to be fed. Beacon's conception of feeding service, then and now, calls for the unrestricted use of ingredients in its formulas according to their proven feeding value, and for the production of the best possible rations that science, experience and modern equipment can make.

To complete this feeding service, specially trained Beacon service men give up-to-date practical aid to the farmers using the feeds. Back of this corps of service men are the Beacon Poultry Research Farm and the Beacon Dairy Research Farm, which are constantly alert to develop progressive steps in feeding and management.
